

BAJA RAW

SUMMARY

START: 9AM at Playa Central, La Ventana, BCS

If you are traveling from cabo by van; the van will pick you up at 6:45AM

DURATION: 6-7 hours. During these hours on the ocean we will be searching for all kinds of wildlife, anything is possible in La Ventana but also please remember that with wildlife nothing is guaranteed.

FREEDIVING AND SNORKELING: We will get many chances for freediving and snorkeling; both in open water and at some of the reefs that surround Cerralvo Island.

WHATS INCLUDED:

- Lunch, snacks, water
- snorkel, mask, fins
- Drone + Underwater videos of our wildlife encounters
- Photography package from the day.

WHAT TO BRING:

- Sun protection! hats, long sleeve shirts, rash guards, sunscreen etc..
- Personal Tower
- Refillable water bottle (if you have one)
- Cash for tips for the captain are not a requirement but he appreciates it.

WILDLIFE

WHAT TO EXPECT

MORE COMMON

MOBULA RAYS

DOLPHINS

BAIT BALL

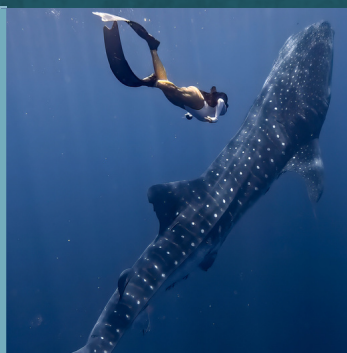

SEA LIONS

A BIT OF LUCK

ORCAS

WHALE SHARKS

PILOT WHALES

MANTA RAYS

All of the photos for the above list of animals were taken in La Ventana during BajaRAW ocean safaris. While it is certainly possible to see all of the species listed above, we ask you to remember that this is a wildlife expedition and nothing is guaranteed. Our local captain has decades of experience and we will be in radio contact with other boats who will inform us if they spot something of interest.
